RE: Addendum to the 2025 Annual Report of the Berea Municipal Court

To Whom it May Concern:

This letter serves as an official addendum to the 2025 Annual Report of the Berea Municipal Court. Subsequent to the distribution of the report, it was determined that certain corrections are necessary to ensure the accuracy of the information contained therein. The corrections identified supersede the corresponding content in the original report and should be incorporated accordingly.

Correction 1 – Inside Cover: Annual Report Designation

The inside cover of the Annual Report incorrectly identifies this publication as the 66th Annual Report. The designation should read the 67th Annual Report of the Berea Municipal Court.

Correction 2 – Page 9 Traffic and Criminal Cast Statistics

The statistical data presented on Page 9 of the 2025 Annual Report requires correction. The figures reported for 2024 Felonies and 2024 Misdemeanors, as well as the cumulative totals for the year 2024 contained errors and do not accurately reflect the official records of the Berea Municipal Court. The corrected data for all affected categories on page 9 should be substituted in place of the original figures as published.

Specifically, the following data on Page 9 is affected by this addendum:

- 2024 Felonies-corrected figures to replace those originally published.
- 2024 Misdemeanors-corrected figures to replace those originally published.
- All 2024 Cumulative Totals-corrected figures to replace those originally published

The Berea Municipal Court regrets any inconvenience caused by these discrepancies. Recipients of the original 2025 Annual Report are asked to retain this addendum with their copy for reference. Should you have any questions regarding these corrections, please do not hesitate to contact the court.

Very truly yours,

BEREA MUNICIPAL COURT
